

Viewing the Run Details

To view the **Run Details** for a record if the Service Date is within the last three days, click on that record using a single left mouse click.

The screenshot displays the XchangeER interface for St. Mary's Medical Center. At the top, there is a header with the hospital name and customer number (597-315). Below this is a navigation bar with a filter set to 'Alert left scene within last: 15 min' and a hospital status of 'Open'. The main area is divided into two sections: 'Run Information' and 'Run Details'.

Run Information Table:

Print	Ho	Svc Date	Left Sc	Source	Call #	Agency	Vehicle	Att.	Age	M/F	Dispatch Descript	Chief Complaint	Provider Impressions	Vitals	Initial Assessment
